

The Mustangs are part of the Tennessee Youth football Alliance (TYFA), an organization that teaches children ages 5 to 14 the game of football. We also offer cheerleading opportunities through the Tennessee Youth Football Cheerleading Alliance (TYFCA).

To be a competitive and successful program, we work with the kids approximately 3 days a week. We strive to teach quality fundamentals of tackle football/Cheerleading and try to prepare the kids to smoothly transition into Middle School and above. Our practices and games are always challenging, but we try our very best to make it a learning experience and fun for the whole family! At the end of the year, we have banquets that provide trophies and praise to the kids for their hard work and accomplishments.

Again, we are here for one reason - the kids. Our goal is to provide an environment that is both challenging and rewarding in a variety of different ways. I urge you take part in this great opportunity to assist in shaping our children for tomorrow's challenges.

By becoming a Sponsor, you will join a winning organization not only on the field but also within the community. We take great pride in helping EVERY child participate in our organization.

The difficult truth is, not every parent can afford the required fees and expenses. To assist in this situation, we have developed a sponsorship program that allows businesses and individuals to help at a variety of different levels.

Yes, your contributions are tax deductible, but better yet, your funds will be utilized to aid the local children of Murfreesboro. Your fund will offset the expenses of helmet, shoulder pads, insurance, football/cheer uniform, trophies and more.

Vince Lombardi once said, "The achievements of an organization are the results of the combined effort of each individual." Together, we can make a positive impact on the children of this community!

Alonzo Murray
