Business of Rutherford County,  
Dear, Sir

We are a non-profit youth organization called the Murfreeboro Mustangs. Our program has children ranging from age 5 to age 14 participating in the sport of football & cheerleading. We are located at 750 E. Jefferson Pike, Murfreeboro, Tennessee 37130. We charge the kids half of what it takes to sustain our league; we obtain the rest through sponsorships and donations. Our playing fields are new and need a great amount of work to make them safe, pleasurable environment for the kids of Rutherford County. These funds would also assist children who cannot afford to play.

We are asking your company to donate to our organization to make this a reality. By doing such a great service, you will be helping the children of our community as well as the program. Attached is our sponsorship form, our tax-exempt form will be mailed the next business day after receipt of your donation.

Thank you in advance for your support.

Alonzo Murray  
League Director
